

- Bellido was born in Lima, Peru.
- He started playing piano at age 5 but didn't really like it.
- It wasn't until he was 16 when he first heard an orchestra play and once he heard them he knew he wanted to be a composer.
- He studied composition all over the world; in Lima, Finland, and the United States.
- Even though Bellido is still young he has written 55 musical works including symphonies, ballets, operas, concertos, chamber music, and an oratorio.
- He is known as an exciting composer who has mastered the modern orchestra.
