5. **COURTESY AND SPORTSMANSHIP:** Utah Symphony competitions are designed to provide a rewarding educational experience to students whose hard work and dedication has already been proven. Competitors, parents, and teachers share in the responsibility of upholding these standards. Interfering with contestants or competition procedures, using abusive or offensive language, or making disrespectful remarks concerning contestants, parents, teachers, judges, staff, volunteers or the competition instills in students values in direct opposition to those intended to have a learning experience in this competition. Any behavior deemed by Utah Symphony administration to degrade the high quality of courtesy and musicianship expected of those invited to compete may result in disqualification for the current and/or future years. This statement applies to students, parents, and teachers before, during, and after the competition.
6. **Failure to follow any of the above rules will lead to automatic disqualification from the audition or performance.**

Utah Symphony reserves the right to make binding decisions in unusual or questionable circumstances, including but not limited to COVID-19 in regard to audition requirements and regulations, or to their intent, or to any situation not specifically covered by the above.
