

Opera Up Close

Opera for High School Choir Classes

Utah Opera offers "Opera Up Close" to high school choirs throughout the state of Utah. The program is designed to be presented during a single class period for a large choral audience, preferably in the choral class room. During Opera Up Close, Utah Opera's Resident Artists perform arias and ensemble pieces, give a brief introduction to opera, talk about

their experiences as vocalists and performing artists, and answer questions from the student audience. This program is designed to be performed in a music classroom and can be tailored to fit within the time of a class period.

Preparing for *Opera Up Close*

Options if you have 10 minutes...

- Use the Introductory PowerPoint presentation on the [USUO Education website](#).
- Brainstorm a list of what students already know about opera. Ask them to pay attention during the presentation to change or add to the list afterward.
- Basic Ideas about Opera
 1. Everyone sings almost all the time.
 2. It is like a play (drama) with characters, conflict, and staging by a director.
 3. Usually people who go to an opera treat it as a special evening; they dress up and make a big event of it.
 4. Utah Opera uses supertitles in the Capitol Theatre so that the audience can understand what the singers are saying.

Languages from around the world

Operas are often sung in foreign languages because operas are written by composers from all over the world. The music was composed to fit precise words, so it is difficult to make a good translation. But because music communicates easily, you can understand the feelings of a song even when you can't understand the words.

Core Curriculum Connections: Choral Music Standards

The Utah Opera Resident Artists are inspirational examples of what students can achieve when they master the [Utah State Core Standards for Music](#). Remind your students about these standards and ask them to evaluate the artists after the assembly.

STRAND: CREATE - Students will conceptualize, generate, and organize artistic ideas and work. They will complete and refine musical works.

STRAND: RESPOND - Students will perceive and analyze artistic work and process. They will interpret intent and meaning, and apply criteria to evaluate artistic work and process

STRAND: CONNECT - Students will relate artistic ideas and works with societal, cultural, and historical context to deepen understanding.

STRAND: PERFORM - Students will analyze, interpret, and select artistic work for performance.

Basic Opera Terminology

In the assembly, the Utah Opera Resident Artists will introduce many terms used in opera. Ask students to guess what each term in the list might mean, then listen during the assembly to see if the class was right.

Aria	A solo song in an opera	Melody	A group of notes organized to make up a musical phrase
Baritone	A low male singing voice	Mezzo - Soprano	A middle-range female singing voice
Bravo	Italian for Excellent! Well done! (“brah-vo”)	Opera	“Work” in Italian, short for “opera in music,” or “work in music”
Breath Control	The skill that allows a singer to have long phrases without gasping for air	Properties (props)	Objects that a singer holds or carries that help tell the story
Coloratura	Fancy decorative vocal music. Many fast little notes in complicated musical passages which require a great deal of technical ability	Recitative (recit)	A style of vocal music based on imitating speech, with a minimum of musical structure and accompaniment
Composer	A person who writes music	Rhythm	A pattern of long or short, accented or unaccented notes
Duet	A song for two people to sing together	Set	Large items like walls or furniture that create a sense of place
Harmony	Notes sung by several singers at the same time that makes a pleasing combination	Soprano	A high singing voice in children or women
Libretto	The words the singers sing in an opera; a “librettist” writes the libretto	Tenor	A high male singing voice
Maestro	The conductor of an opera or symphony		

Post-Assembly Activities

Here are several options for post-assembly learning activities:

1. Guide your class in a discussion about the assembly.
 - a. Ask students to describe their favorite scenes from the show, and explain why they liked those scenes the best. [These skills are part of the National Standards for Music Education.]
 - b. Ask students what they learned about opera.
2. If your class brainstormed a list about opera, go back through the list together, checking for accuracy and identifying important elements they hadn't known about before.
3. Ask students to evaluate/give their perceptions of the performers' stage presence and music skills. [These skills are part of the Utah Music Core Standards.]
4. Learn more about opera singers by watching videos about different voice types at this [link](#).
5. Acquire your school's copy of the Magic Flute DVD that was left for your school. Enjoy a fully produced opera and identify everything you learned about opera from the Utah Opera assembly.
6. Invite students to write their answers to any of these questions, or share their response in a letter or card. Send letters to:
