

"Opera Up Close" Quiz

See if you can answer the following questions after you watch Utah Opera's online presentation of our virtual (social-distanced) assembly *Opera Up Close*.

You can check your own answers on the Quiz Answers document.

Question 1. When and where was the art form of opera invented?

Question 2. What function does an aria serve in an opera?

Question 3. Name 3 genres that exist in film that might also exist in opera. Submit your challenge to our Resident Artists in the "Ask a Singer" section of Utah Opera's School-From-Home materials, and they will answer you!

Question 4. Name some similarities and differences between opera and musical theatre.

Question 5. Identify similarities and differences between an art song and an aria.

Write to our Resident Artists in the "Ask a Singer" box to continue discussion of any of these topics.
