INDEPENDENT AUDITORS' REPORT

The Board of Trustees Utah Symphony & Opera

We have audited the accompanying financial statements of Utah Symphony & Opera (a Utah nonprofit organization) (the Organization), which comprise the statements of financial position as of August 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to error or fraud.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error or fraud. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Utah Symphony & Opera as of August 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. Significant Accounting Policies

Description of Business and Operations

Utah Symphony & Opera (Symphony & Opera or the Organization) was formed on July 8, 2002, when the respective Boards of Trustees (Board of Trustees or Board) for both the Utah Symphony (the Symphony) and Utah Opera Company (the Opera) voted to merge the two organizations into one operating entity. The Opera's name was then changed to Utah Symphony & Opera and the new Organization adopted the fiscal year-end of August 31. The combined Organization functions as a nonprofit corporation without affiliation with the State of Utah.

In addition to its significant cultural and educational value, the Symphony & Opera also acts as a goodwill ambassador for the State of Utah through its local, national, and international tours and helps to provide opportunities for promising young artists through its outreach programs.

Utah Symphony Guild and Ogden Opera Guild serve as support organizations for the Symphony & Opera, which exist to increase public recognition of opera and symphonic works and to solicit donations. The results of these fundraising activities are recorded in the Board Designated Fund.

Utah Symphony & Opera funds its operations with revenues received from ticket sales, concert presenter's fees, costume and set rentals, governmental and other grants, investment income, and contributions.

Risks and Uncertainties

Risks and uncertainties are inherent with the Collective Bargaining Agreement (CBA) that the Organization has with the American Federations of Musicians, Local 104. The Organization employs approximately 145 individuals on a full-time basis. Members of the American Federation of Musicians Local 104 union make up 60% of the total full-time employees. The current CBA was entered into on September 1, 2007 and was originally set to expire August 31, 2010. The CBA has been renegotiated three times with a new expiration date of August 31, 2018.

Concentration of Credit Risk

The Organization maintains its cash in bank deposit accounts which, at times, exceed federally insured limits. As of August 31, 2015, the Organization had cash of approximately \$930,000 that exceeded federally insured limits. To date, the Organization has not experienced any loss or lack of access to its cash; however, no assurance can be provided that access to the Organization's cash will not be impacted by adverse conditions in the financial markets.

Notes to Financial Statements (continued)

1. Significant Accounting Policies (continued)

Concentration of Credit Risk (continued)

Certain assets that potentially subject the Organization to concentration of credit risk consist primarily of accounts, grants, and contributions receivable. In the normal course of its activities, the Organization records receivables from customers and donors. Accordingly, the Organization performs ongoing evaluations of accounts, grants, and contributions receivable and maintains allowances for possible losses on accounts, grants, and contributions receivable, which, when realized, have been within the range of management's expectations. Credit risk pertaining to accounts, grants, and contributions receivable is comprised of numerous factors including the overall economic conditions in the geographic area in which the Organization's customers and donors are located.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, bank deposits, and highly liquid financial instruments with a maturity of three months or less when purchased. Cash and cash equivalents include only funds that are not restricted by the donor. Cash and cash equivalents that are part of restricted funds are included in investments.

Fund Accounting and Net Asset Classifications

To ensure observance of limitations and restrictions placed on the use of resources available to the Symphony & Opera, the financial records of the Organization are maintained on the accrual basis of accounting utilizing "fund accounting" and by applying the provisions of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) to endowment funds. Fund accounting is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with specific activities and objectives.

Separate accounts are maintained for each fund. In the accompanying financial statements, funds with similar characteristics have been combined into three net asset categories: unrestricted, temporarily restricted, and permanently restricted. See Notes 8, 9, and 10 for additional discussion of these net asset categories.

Fund Accounting and Net Asset Classifications (continued)

Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 958, *Not-for-Profit Entities*, provides guidance on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of UPMIFA. The State of Utah has adopted UPMIFA.

The Organization has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund, and to maintain the fair value of the accumulated contributions. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Organization and the endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The investment policies of the Organization

Investments

Investments in equity and debt securities are measured at fair value in the statements of financial position. Net realized and unrealized gains and losses on unrestricted net asset investments, including those held within the Board Designated Fund, are included in unrestricted investment income in the statements of activities. Net realized and unrealized gains and losses on restricted net asset investments, restricted by donors or law, are included in temporarily or permanently restricted investment income in the statements of activities. Realized gains and losses are determined using the specific identification method. Investment related expenses were approximately \$257,000 and \$310,000 for the years ended August 31, 2015 and 2014, respectively and are recorded in management and general expenses.

Notes to Financial Statements (continued)

1. Significant Accounting Policies (continued)

Investments (continued)

Management of the Symphony & Opera has retained the separate and distinct character of the respective Symphony and Opera endowment investment funds. New endowment funds have been created for donations received subsequent to the merger.

Effective September 1, 2002, the Symphony & Opera's Board of Trustees adopted a resolution to transfer five percent of the value of the Permanently Restricted Fund annually for use in its operations. The amounts are transferred from the Permanently Restricted Fund to the Operating Fund. The annual five percent draw is based on an average of the market value of investments for the most recent 12 completed calendar quarters preceding the start of the fiscal year.

The Organization's Investment Policy states that no more than 75% of investments may be equities in the investment mix of equities and fixed income. The investment of funds is intended to support the long term financial viability of the Organization. Investment objectives encompass: optimizing portfolio efficiency by minimizing expected portfolio risk and seeking opportunities to reduce fees and expenses, providing liquidity to meet near term cash forecast needs while timing cash withdrawals with portfolio returns, and preserving capital by avoiding significant and sustained loss in market value.

Land, Building and Equipment

Land, building and equipment are stated at cost or estimated fair value at the date of acquisition or gift, respectively, and include expenditures that substantially extend the useful lives of existing assets. Expenditures for normal maintenance and repairs are charged to operations as incurred. The cost of the building and equipment is being depreciated using the straight-line method over the estimated useful lives of the assets, which range from five to thirty years. The Organization has a significant amount of costumes, wigs and props that are not recorded on the statement of financial position. Expenditures for these items are expensed as incurred.

Revenue Recognition and Deferred Revenue

The majority of the Organization's revenue stems from donor contributions, grants, and performance ticket sales. Contributions are generally recognized as revenue at fair value in the period received or unconditionally pledged. Contributions of services are recognized only if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Contributions received are considered to be available for use unless specifically restricted by the donor. Conditional contributions are recognized as revenue when the conditions on which they depend have been substantially met.

Notes to Financial Statements (continued)

1. Significant Accounting Policies (continued)

Revenue Recognition and Deferred Revenue (continued)

Utah Symphony & Opera records contributions as temporarily restricted if they are received with donor stipulations limiting the use either through purpose or time restrictions. When donor restrictions expire, that is, when a time restriction ends or a purpose restriction is fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

Utah Symphony & Opera rents its costumes, wigs, sets and props to individuals and other organizations across North America. It also constructs costumes and sets for other organizations. Rental and construction income of approximately \$526,000 and \$483,000 is included on the statement of activities for the years ended August 31, 2015 and 2014, respectively.

Deferred revenue arises from subscription ticket sales and advance ticket sales, including refundable gift certificates, and is recognized as revenue when the performance for which the tickets have been sold occurs.

As part of the Zoo, Arts and Parks Sales Tax Initiative passed in 1996, and reaffirmed in November 2014. Utah Symphony & Opera receives funds from Salt Lake County (the County) and records revenues based on an estimated allotment provided by the County. As of August 31, 2015 and 2014, approximately \$548,000 and \$532,000, respectively, was recorded as an unrestricted receivable and increase in unrestricted grants and fees. As of August 31, 2015 and 2014, approximately \$730,000 and \$0, respectively, was recorded as a temporarily restricted receivable and increase in temporarily restricted grants and fees. The increase in temporarily restricted receivable reflects a current evaluation of reliable historical estimated allotments. Revenue for these transactions are recorded as temporarily restricted revenues and released into operations when the purpose is met. Periodically, the County reconciles actual sales tax receipts with payments already made to the Organization and retroactively adjusts the estimated allotment. The adjustments result from actual sales tax collections being different than originally estimated by the County. The Organization records these adjustments as they receive formal communication from the County of the adjustment. For the year ended August 31, 2015, the total adjustment increased government grants and fees by approximately \$105,000. For the year ended August 31, 2014, the total adjustment decreased government grants and fees by approximately \$66,000.

Pledges to Contribute

Pledges to contribute over future periods are discounted at the Organization's current borrowing rate to present values and recorded in the current period as restricted revenue and contributions receivable. As of August 31, 2015 and 2014, the discount on these pledges was approximately \$173,000 and \$294,000, respectively. These contributions represent unconditional promises to donate within the next one to ten years. The Organization also records an estimate for uncollectible receivables based on historical payment experience coupled with projections and estimates of pledges and actual amounts expected to be received.

Notes to Financial Statements (continued)

Contributions-in-Kind

The Symphony & Opera receives donated services and materials that are used in the operations of the Organization. These donated services and materials are recorded at estimated fair value.

The following is a summary of amounts that were recorded as both revenues and expenses (or assets) from unrestricted in-kind contributions for the years ended August 31:

		2015	2014
Program expenses:	·		·
Advertising expenses	\$	1,009,844	\$ 726,489
Production expenses		106,513	134,885
Management and general and fundraising expenses		275,925	231,858
Contributed equipment		79,434	_
	\$	1,471,716	\$ 1,093,232

Certain members of the Utah Symphony & Opera's Board of Trustees, or companies affiliated with certain board members, provided certain amounts of in-kind contributions for advertising services.

Volunteers

A number of volunteers have made contributions of time to the Utah Symphony & Opera's program and support functions. The value of this contributed time does not meet the criteria for recognition of contributions-in-kind and, accordingly, is not reflected in the accompanying financial statements.

Income Tax Status

The Internal Revenue Service has ruled that Utah Symphony & Opera's predecessor organization, Utah Opera Company, qualifies under Section 501(c)(3) of the Internal Revenue Code (the IRC) and is, therefore, not subject to tax under present income tax laws. Accordingly, no provision for income taxes has been made in the accompanying financial statements. Based on communication with the IRS, the combination of the Opera and the Symphony has not negatively affected the tax qualification under section 501(c)(3). The Organization is required to operate in conformity with the IRC in order to maintain its tax exempt qualification.

As of August 31, 2015, the Organization had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Organization's tax years subject to tax examination are 2015, 2014, 2013, and 2012.

Notes to Financial Statements (continued)

1. Significant Accounting Policies (continued)

Advertising Expenses

The Symphony & Opera expenses advertising costs as incurred. Amounts expensed for advertising, including in-kind expenses, were approximately \$2,306,000 and \$2,123,000 for the years ended August 31, 2015 and 2014, respectively.

Subsequent Events

Management has evaluated subsequent events that have occurred through December xx, 2015, the date the financial statements were available to be issued, and determined that no additional disclosures are required to be made.

Reclassifications

Certain reclassifications have been made to the 2014 financial statement presentation to conform to the 2015 presentation.

2. Accounts, Grants, and Contributions Receivable

The net balance of accounts, grants, and contributions receivable consists of the following as of August 31, 2015:

	U	nrestricted	emporarily Restricted	ermanently Restricted	Total
Accounts and grants receivable	\$	1,186,470	\$ 2,244,967	\$ _	\$ 3,431,437

4. Fair Value Measurements

The Organization measures fair value using the following fair value hierarchy that prioritizes the use of inputs used in valuation techniques into the following three levels:

Level 1—Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2—Observable inputs other than quoted prices in active markets for identical assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3—Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (supported by little or no market activity).

Where quoted prices are available in an active market, investments are classified within level 1 of the hierarchy. If quoted prices are not available, then fair values, estimated using pricing models, quoted prices, or securities with similar characteristics are categorized within level 2 of the hierarchy. Level 3 investments are valued using a discounted cash flows and cost approach.

Utah Symphony & Opera uses the facilities of Abravanel Hall and the Capitol Theater under a lease agreement with Salt Lake County, which is renewable annually. Rental expense for these facilities was approximately \$357,000 and \$354,000 for the years ended August 31, 2015 and 2014, respectfully.

6. Line of Credit

The Organization has a line of credit for \$1,800,000. The interest rate is at prime rate less 1.0%, but is limited to a rate of at least 4%. The Organization had \$1,087,709 and \$1,006,820 outstanding under the line of credit as of August 31, 2015 and 2014, respectively. The line of credit is secured by certain assets of the Board Designated Utah Opera Surplus Endowment Fund, and the Board has permitted management to utilize this line of credit at its discretion. The bank has restricted the draws to 75% of the collateral's value. As of August 31, 2015, the line of credit was limited to \$1,730,000. The Organization expects to renew the line of credit when it expires on March 15, 2016.

Interest expense for the years ended August 31, 2015 and 2014 was \$26,314 and \$27,563, respectively. Cash paid for interest was \$16,102 and \$17,108 for the years ended August 31, 2015 and 2014, respectively. Interest expense is recorded in management and general expenses.

Notes to Financial Statements (continued)

7. Note Payable

The note payable consists of a promissory note payable to the Redevelopment Agency of Salt Lake City and is due September 30, 2016, with interest at 3%. The principal balance of the note payable as of August 31, 2015 and 2014 was \$250,000 and \$300,000, respectively. During September 2011, the loan agreement was amended to allow for a credit against the principal of the loan in the amount of \$50,000 annually through 2015 if the Organization performs one concert at the Gallivan Center annually. The remaining available credit is \$50,000. In fiscal 2015 and 2014, the Organization performed the required concerts to receive the credit. Accrued interest on the note was \$10,212 and \$10,455 as of August 31, 2015 and 2014, respectively. The Symphony & Opera has the option of paying the interest on the note in cash or by receiving credit for value in-kind or a combination of cash and in-kind services. Through fiscal 2015, the Organization has provided in-kind services sufficient to cover all interest expense associated with this note. The promissory note is collateralized by a deed of trust granting a security interest in the real property owned by the Organization.

8. Unrestricted Net Assets

Unrestricted net assets include amounts from the Operating Fund and from the Board Designated Fund. All general operating revenues and expenses related to the program activities of the Organization, which are included in the Operating Fund, are presented in the unrestricted section of the statements of activities.

The Board of Trustees approved lending \$3,220,000 from the Board Designated Fund to assist in financing operating deficits between December 2008 and November 2011. On November 20, 2013, the board amended the original terms of the loan. Currently the loan is non-interest bearing and is required to be repaid in 10 equal annual installments beginning August 31, 2019. For the year ended August 31, 2015 the board designated a \$150,600 gift to pay down the board loan. The balance of the loan as of August 31, 2015 was \$2,669,400.

The Board Designated Fund consists of funds with no donor or legal restrictions, but through Board resolutions it has been set aside for specific purposes. As of August 31, the fund consists of the following:

Board Designated Reserve Fund Utah Opera Surplus Endowment Fund Guild Operations

 2015	2014						
\$ -,,	\$	3,902,439					
2,287,656 2,154		2,503,176 (4,520)					
\$ 6,348,338	\$	6,401,095					

Notes to Financial Statements (continued)

8. Unrestricted Net Assets (continued)

Assets underlying the Utah Opera Surplus Endowment Fund have been pledged as security on the line of credit. The Utah Opera Surplus Endowment Fund requires a 90% vote of the full Board to access such funds. The Board Designated Reserve Fund is used to offset any year-end deficits in the Operating Fund and for such other purposes as the Board may from time to time determine. For the years ended August 31, 2015 and 2014, there were no transfers between the Board Designated Reserve Fund and the Operating Fund except for the loan described above.

9. Temporarily Restricted Net Assets

As of August 31, temporarily restricted net assets are available for the following purposes or periods:

204E

			2014
Funds for use in future periods	\$	3,619,218	\$ 3,115,725
Governmental grants received for use in future periods		2,604,967	1,445,778

Deer Valley Music Festival		148,173	216,117
	\$	7,581,594	\$ 5,705,441

All amounts released from temporary restriction during the years ended August 31, 2015 and 2014 were released following the fulfillment of purpose or expiration of time restrictions placed on the assets.

The Opera Production Studio Expansion was completed in fiscal year 2003. The remaining funds held in Temporarily Restricted Net Assets represent donations received in excess of the cost of the expansion and are to be used for the operation and maintenance of the building. For the years ended August 31, 2015 and 2014, approximately \$160,000 and \$119,000, respectively, was transferred from the Opera Production Studio Expansion Temporarily Restricted Fund to offset costs associated with the operations and maintenance of this building.

10. Permanently Restricted Net Assets

Permanently restricted net assets represent the Donor Restricted Endowment Fund of the Symphony and the Opera, which consists primarily of investments and accrued investment income restricted in perpetuity by the donor of the assets. This endowment was established from donor restricted endowment contributions or grants from charitable individuals, foundations, agencies or other groups and includes matching funds raised by the Organization when the contribution or grant requires such conditions. These amounts, including the matching contributions, are restricted for permanent endowment. At its discretion, the Symphony & Opera's Board of Trustees can transfer investment income, as determined by the 5% annual draw investment policy (see Note 1), to the Operating Fund in order to fund general operations.

Notes to Financial Statements (continued)

10. Permanently Restricted Net Assets (continued)

As of August 31, categories of permanently restricted net assets are as follows:

	2015	2014
General Operations for Symphony	\$ 12,242,470	\$ 13,377,212
General Operations for Symphony & Opera	11,429,999	13,140,846

Orchestra Refreshment Fund	12,000	12,000
	\$ 28,027,354	\$ 31,174,120

11. Retirement Programs and Commitments

All of the musicians are covered by the American Federation of Musicians Employers Pension and Welfare (AFM-EPW) defined benefit pension plan, which is sponsored and administered by their union (the Union Plan), or a Section 401(k) retirement plan. The Organization contributes on behalf of each musician an amount equal to 8% of that musician's salary, up to the prevailing minimum salary or 9% for musicians employed for 15 years or more. Additional contributions based upon media services are computed according to the current rates of the AFM-EPW. Assets and vested benefits are not segregated by unit within the Union Plan. As a result, it is not possible to determine the portion of the assets and vested benefits or unfunded liabilities of the Union Plan that are applicable to the Symphony musicians.

In March 2010, the AFM-EPW notified the Organization that it certified the plan to be in "critical status" for the plan year beginning April 1, 2010. As such, the Plan adopted a rehabilitation plan that reduces benefits paid and requires employers to pay a surcharge on contributions to the fund. The surcharge start date was June 1, 2010. This surcharge is currently 9% of contributions.

Beginning December 12, 2009, the Organization created two 401(k) retirement plans. One plan is for the benefit of full-time AFM Union members and one is for full-time non-union members. Employees may contribute a portion of their compensation to this plan, subject to limitations established by the IRC. The contributed funds are held in individual accounts with an outside manager.

The cost to the Symphony & Opera of contributions to all of the above retirement programs incurred by the Operating Fund was approximately \$607,000 and \$516,000 for the years ended August 31, 2015 and 2014, respectively.
